

D.C. Underride Crash Test

**Moms on a Mission
to Make Truck Crashes More Survivable
Announce Opportunity to View**

Underride Crash Tests

in Washington, D.C.

March 26, 2019

Members of Congress & staffers, along with the general public, are invited to view crash testing of cars into the side of tractor trailers — **with** and **without** underride protection.

The crash testing will take place at the United Soccer (Audi Field) Parking Lot 147, **1880 2nd Street, S.W., Washington, D.C.**

<https://www.google.ca/maps/@38.8661614,-77.0130052,424m/data=!3m1!1e3>

Be there no later than **10:00 a.m.** to view the first crash test. Congresswoman Eleanor Holmes Norton (D-DC), Chair of the Highways & Transit Subcommittee, will speak at the event, which will provide an opportunity to witness firsthand the importance of the ***STOP Underrides! Bill.***

STOP Underrides!

Don't miss this chance
to witness a crash test
firsthand.

Underride protection
can mean the difference
between life & death.
